---

I have not printed this yet due to my printer being down however I wanted to share it with everyone else. I had looked for one of these for a project and could not find one so I make it myself. Sorry it is not prefect quality I will post a picture when mine is done. Thanks for looking

## Print Settings

### Printer:

Prusa i3 MK3S

### Rafts:

Doesn't Matter

### Supports:

No

### Resolution:

What ever you like

**Infill:**

What ever you like
