Summary

A remix of Coffee Knockbox with higher walls on the side and back to protect coffee from falling out

[Household](#) > [Kitchen](#)

Tags: [coffee](#) [espresso](#) [kitchen](#) [knockbox](#) [spillfree](#)

It's a remix of Coffee Knockbox made by Dominik with added higher walls on the side and back to protect coffee from falling out.

This is only outer box - use outer box stick and all inner box from original [Dominik work](#).

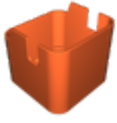

This remix is based on

Coffee knockbox

by Dominik
