English :

It's a rack shelf mount 19" size 1U to place a modem. The object is printable in three parts and must be assembled with screws M3\*10 and washers on each side. The slotted holes allow a shelf adaptability to small differences in widths of 19 "racks.

French :

C'est une étagère pour rack 19" taille 1U pour placer un modem comme la Freebox par exemple. L'objet est imprimable en trois parties et doit être assemblé avec des vis M3\*10 et des rondelles de chaque côté.

Les trous oblongs permettent une adaptabilité de l'étagère aux petites différences de largeurs des racks 19" du marché.

## Print Settings
