Tags: [holder](#) [small](#) [modular](#) [nozzle](#) [aluminiumprofile](#) [m5](#)

this is a small modular holder for four nozzles.  
you need printed parts and m5 bolt and nut.

easy and quick fastening system to the aluminum profile allows you to  
personalize your archive / collection.

On the tab on the top of the model, you can mark the size of the nozzle  
with a tape or marker
