Star Wars Rebellion and Rise of the Empire expansion organizer. All fit in original game box, tightly packed so that pieces are secure. Leader box comes in two parts due to size, need to be glued together, same with the two dice boxes. CA-glue is excellent for PLA.

Print two pieces each of the following for a complete set:

Empire unit box

Rebel unit box

Leader box left

Leader box right

Dice box.

The three card boxes require only one of each.

I recommend going very low on the infill to save plastic, they are more than sturdy enough for very low infill rates, probably 5-10%

Game board, rules and so on fit on top.
