

## Oculus Quest 2 Wall Mount - Tape Edition

[VIEW IN BROWSER](#)

updated 27. 3. 2022 | published 27. 3. 2022

### Summary

Remixed from a popular Quest wall mount optimised for mounting tape rather than screws.

### Description:

A remix of a popular Oculus Quest 2 wall mount to utilise mounting tape rather than drilling screws into the walls. The base plate was extended to accommodate a larger surface area for more tape “grippage”.

### Features:

All the same pros of the original design; no supports, minimal parts, compact storage.

### Print Recommendations:

Print on its side rather than sticking up for a stronger print orientation.
