Tags: **spoolholder** **nozzleholder**

Very easy and fast remix of the original spool holder for Prusa Mini.

*I also added a holder for 9 nozzles that has labels.

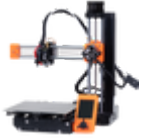

You will need 3 pcs **MINI-base-spoolholder.stl** and 2 pcs **MINI-rail-spoolholder.stl** for the full holder. You can find it on <https://www.prusaprinters.org/cs/prints/57214-mini-printable-parts>

If you want nozzles holders on both sides you can print only 2pcs of the original **MINI-base-spoolholder.stl** and 2 pcs of this remixed parts.

Print instructions

PrusaSlicer's default PETG 0.2mm presets.
