Summary

This is the light switch accessory you didn't know you needed.

[Learning](#) > [Engineering](#)

Tags: [gears](#) [mechanical](#) [mechanicalengineering](#)

Please note that this only works on these types of switches. If you have a different kind of switch and are feeling that desperate need for the Gear Switch, reach out and I'll see if I can make an adaptation to suit your switch.

Click [here](#) for the "how to assemble" video!

Recommended print settings:

Layer Height: 0.2mm

Nozzle: 0.4mm

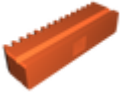

Infill: 15-18%
