This is a easy to print E3D Revo nozzle holder for the alternative Creality Ender 2 pro handle.

I printed with 4 walls and strong infill.

Prusament PLA Lipstick red @0.2mm layer height.

You need the handle from <https://www.prusaprinters.org/prints/148425-handle-creality-ender-2-pro>

-----

Einfach zu druckender E3D Revo Düsenhalter für den alternativen Creality Ender2pro Griff.

Ich habe mit 4 Wänden und stabiler Füllung gedruckt.

Prusament PLA Lipstick rot @0,2mm Schichtdicke.

Es wird der Griff von hier benötigt: <https://www.prusaprinters.org/prints/148425-handle-creality-ender-2-pro>
