Summary

Plaques for different recycling bins

[Household](#) > [Kitchen](#)

Tags: [kitchen](#) [sign](#) [recycling](#) [plaque](#) [waste](#)

I needed some signs for the bins in my kitchen, so I made some from open source icons

I scaled them down to 2/3 size, because I made them a bit too large, but they can be scaled to your needs (base size: 120mm diameter, 3mm height)

If you have ideas for other icons, leave a comment, I might add it if I have time :)

Icons can be found here:

Broken Glass: https://www.flaticon.com/free-icon/broken-glass_812923

Trash Bag: https://www.flaticon.com/premium-icon/trash_1782322

Paper: https://www.flaticon.com/premium-icon/paper-recycle_4306785
