Summary

I wanted to put my gift card in sideways

[Toys & Games](#) > [Puzzles & Brain-teasers](#)

Tags: [giftcard](#) [prank](#)

I likes the idea just wanted to have the card sideways. Made it wider and added a bar on each side as well reduced the height.

Other than that follow the original

Use PLA to reduce stringing

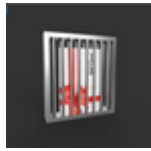

I used

.4 nozzle

.2 resolution

no supports
