Summary

Winglets for your Avios extra 330LX.

[Hobby & Makers](#) > [RC & Robotics](#)

Tags: [hobbyking](#) [extra](#) [avios](#) [330lx](#) [winglet](#)

I got a badly crashed Avios extra 330LX from someone and I'm slowly rebuilding it through the power of 3D printing and glue.

Here is another part: winglets

I recommend printing these parts at least in PETG or ABS. Something like 4 walls and 40% infill should be OK.
