This remix is Identical to the original design shared by @suraky

This design includes a little strength improvement in the middle part preventing it from breaking.

Print Settings

Printer:

SathyaResearch CR-30 Print Mill MOD

Rafts:

No

Supports:

No

Resolution:

200

Infill:

35

Filament:

SolidSpace PLA

Black

Notes:

Added structural strength to avoid breaking of the strap in the middle portion.

Further improvements & Inputs welcome.

Made using SathyaResearch Modified India's First Creality CR-30 Print Mill.
