Fiat Linea Emotion / Dynamic Bonnet Push Plug

In crisis time, I found it hard to find some spares to fix small issues in my ride.

So I have designed this bonnet push plug to keep the fabric noise-suppressing cushion in its place firmly.

For the Love of Fiat - Built Like A Tank.

Tip me, Buy me a beer, Cheers.

Notes:

I have been using this for nearly 6 months now. It fits nice and stays strong still.

I have posted the updated final version I have shown in the picture.

Happy printing.
