I made a stick of butter you can stick pencils in. I made one version to closely match the simpsons episode and another with a ton of holes. I didn't make the butter dish because really you can use any old butter dish.

From Season 9 Episode 14 titled Das Bus.

Is this too much of a deep cut? Probably.

If you make this for a Simpsons fan in your life feel free to donate to me. I'm also trying to make money off the internet.
