I've been working on potty training my new puppy. When we take him outside in the middle of the night to do his business It's hard to fumble with the treat bag to get his bathroom reward treats. I made this to mount right by the door so I can just grab a treat on my way out. Works great with 3M Command Strips!

Print Settings

Printer Brand:

Crealitiy

Printer:

Ender 3

Rafts:

No

Supports:

No

Resolution:

.2

Infill:

10%
