Replacement clip (the white clip in the pictures) for an older model Fiskars RazorEdge Micro-Tip Easy Action Shears.

It's a customizer so if it doesn't fit yours you can adjust it.

V2: Version 2. - Version one lost its grip over time, so I've uploaded revised files with thicker outer walls, so it should keep its grip. 10/15/2020

0.3

Filament:

Amazon Basics PLA

White Post-Printing =====

After printing, I noticed that the free half, the half that doesn't grip when the scissors are in use, could bind up, grabbing when it wasn't supposed to, so I just clipped those corners manually with my diagonal cutters, as seen in the photograph.
