This is a replica of figure I from the box "Dwellers Below", number 2012 from Grenadier

(see <http://www.cs.cmu.edu/~tpope/sol/grenadier/images/2012.jpg>)

Reproduced using <https://www.thingiverse.com/thing:1762299>

The Roper is a classic monster, even predating the original AD&D Monster Manual. Its first appearance was reportedly in The Strategic Review #2 in May 1975.

UPDATE: A friend has put in considerable time and effort to fix up this model. I added it to the files. Enjoy!
