Tags: [skull](#) [stand](#) [playstation](#) [floating](#) [controller](#) [tentacle](#)
[ps5](#)

A haunting skull emerges from melting tentacles to create a dramatic floating display for your PS5 controller. Other controllers fit, but not as snugly as the PS5.

This dark, sculptural stand blends gothic horror with modern gaming aesthetics, making it a bold centerpiece for any setup. For collectors, horror fans, and gamers who want their desk to... stand out.
