A playful extraterrestrial take on the classic **“See No Evil, Hear No Evil, Speak No Evil”** concept.

This collection features three stylized gray alien figurines sitting in the iconic poses — covering the eyes, ears, and mouth. The figures are designed with smooth organic shapes and exaggerated alien features, making them perfect as **desk sculptures, shelf decor, collectibles, or conversation pieces**.

Each alien prints as a single piece and works well for display on desks, shelves, gaming setups, or night market booths. The trio can be printed individually or as a full set.

Whether you're into **UFO lore, sci-fi decor, alien art, or unique 3D printed figures**, this set makes a fun addition to any collection.
