Bring your passion for pigeons to your workspace! This is a custom-designed universal stand, perfect for **pigeon fanciers, breeders, and bird lovers**. It features a beautifully embossed pigeon in flight, making it both a functional tool and a unique piece of desk art.

Key Features:

- **Heavy-Duty Design:** Tested and proven to hold both **smartphones and tablets** securely.

- **Pigeon Motif:** High-detail integrated silhouette for a unique aesthetic.
- **Built to Last:** Designed for PETG to ensure heat resistance and long-term durability.

Technical Specifications (Optimized for Detail)

I have fine-tuned these settings to achieve the best possible result for the pigeon relief:

- **Material: PETG** (Recommended for strength and durability).
- **Nozzle: 0.4 mm.**
- **Line Width: 0.2 mm** (This is the secret to the sharp details on the pigeon!).
- **Infill: 15%** (Provides excellent stability while keeping the print efficient).

Print Statistics

- **Print Time: 2 hours and 53 minutes** (at standard speeds).
- **Filament Used: 86.5 grams.**
- **3D Printing Supports: YES, REQUIRED** (Make sure to enable supports in your slicer for the overhanging parts, like the bottom hooks).
