Mount for GoPro HERO5/6/7 designed for snug, minimalistic fit while still providing access to rear screen. Is designed to minimize wobble and has a stable attachment point to connect with other standard GoPro accessories. Print with a flexible filament, the bottom is split to allow the cage to bend open to accept the GoPro.

Print Settings

Rafts: Doesn't Matter

Supports: Yes

Resolution: 0.2

Infill: 100%

Filament: TPU (Firm)

Notes:

Print with the forward face down to minimize necessary supports and produce best results.
