Tired of putting your bag, backpack, or accessories on the floor? This sleek 3D printed desk hook mounts under the edge of your desk to keep everything organized and off the ground. Strong up to **10 kg even with PLA**, it features a clean minimalist shape with a secure grip to hold items steady. Available in eye-catching colors like black, navy blue, gray, or metallic silver, it fits perfectly into any modern workspace. Printable in durable materials like PLA or PETG, it's the ideal functional accessory for home office or workstation setups.

Why You'll Love It

- **Instant installation**: no tools needed, attaches in seconds under your desk.
- **Extreme strength**: holds up to **10 kg even with PLA**.
- **Anti-slip grip**: shape helps keep items stable.
- **Minimalist design**: clean line that fits any desk.
- **Support-free printing**: designed for simple, fast printing.
