Tired of messy countertops or ugly plastic packaging? This 3-in-1 Minimalist Bathroom Organizer is designed to bring a clean, modern aesthetic to your vanity while keeping your daily essentials right at your fingertips.

Featuring a trendy ribbed/fluted texture, it looks less like a "3D print" and more like a high-end boutique homeware piece.

Features

- **Cotton Pad Dispenser:** Features a front-facing cutout so you can easily grab one pad at a time from the bottom or top of the stack.

- **Cotton Swab / Q-Tip Holder:** Perfectly proportioned to keep your swabs upright and neat.
- **Floss Pick / Toothpick Slot:** A specialized rear compartment keeps your dental picks organized and upright instead of rolling around.
- **Space-Saving Design:** The organic, curved shape fits beautifully into tight spaces or corners on your counter.
- **None Slip Base:** 4 recess slots on base for 10mm x 2mm self adhesive silicon pads
