Produced with the awesome support from my Patrons!

This is a set of statues depicting a robed priest or cultist or death incarnate. They come with four faces. Human faces come from MakeHuman. Skull comes from <https://www.turbosquid.com/3d-models/skull-3d-1452999>.

For each face, there is a smooth and a rough version.

Access to all new models for \$2 per month

I have a subscription service on MyMiniFactory, a tribe. I make miniature wargaming and roleplaying game terrain for your home 3D printer.

All my new models for \$2 per month

* Early access while I work for \$5 per month

* Merchant license for \$20 per month

* Airdropped loyalty rewards gradually giving you access to my previous models

* 50% off in my store for all tribe subscribers

* Be part of our community by suggesting ideas and vote on what could be the next project
