updated 5. 5. 2022 | published 29. 4. 2022

### Summary

I use this click-fit HP counter for D&D, MTG, and a few other games that we have trouble tracking 3 digit numbers for.

---

[Toys & Games](#) > [Board Games](#)

---

You will need to print 3 copies of the Wheel file for each carriage you print. The Wheels will click-fit with the carriage.

### Model files
