Summary

Best trap to protect you from flies and more! Perfect for gardens or places that are outside.

[Household](#) > [Outdoor & Garden](#)

Tags: [trap](#) [insect](#)

Best trap for flies.

How to use:

print both the lid and the jar then coat the inner side of the jar with something waterproof so the bait doesnt sink in the print. You can use stuff like plastic wrap or even go as far as coating it in waterproof paint.

what bait to use:

You can use a liittle bit of apple cider vinegar or some kind of overripe fruit like banana and more.
