Eight page-clip bookmarks: Capybara in a Hot Tub, Capybara, Capybara with a Book, Capybara with

Coffee, Capybara with Headphones, Capybara with a Tangerine, Capybara in a Beanie and Capybara with

a Rubber Duck. They print flat, need no supports, and slide over the top of a page so the character

sits above the book.

Each clip is one 0.8 mm plate — a character outline on top and a 14 × 46 mm tab underneath. A 0.5

mm slit cuts a tongue free on three sides. Push the clip down over the edge of a page and the

tongue flexes out of the way: the page ends up between tongue and frame, and it stays put.

All eight fit on one plate.
