A Collection of Decorative Pumpkins

The pumpkin stems are threaded and can be printed in a different color or mixed/matched between every model in the collection.

Suggested print settings

- 0.15 - 0.2 mm layer height (dynamically lower at the top)
- 3 perimeters
- 5% rectilinear infill
- No brim and no supports
- Can easily be scaled up or down to your desired size, though be aware that the stems have to be printed at the same scale.
