✂️ CLICKFLOW - IMPORTANT INFO

Assembly Note:

This model was tested using a **blue mechanical keyboard switch**. For a more secure and durable assembly, I recommend using a small amount of glue on the connecting parts to keep everything firmly in place during use.

Commercial License:

This model is for **PERSONAL USE ONLY** unless you have an active commercial license.

A spooky little **Cyclops Skull Clicker** from the ClickFlow collection
This creepy-cute model features a cracked skull design with one large eyeball, making it a perfect Halloween fidget and desk companion.

To make it work, you need a **blue keyboard key/switch** inserted inside the model.

The click mechanism is simple, fun, and satisfying, making it great as a tiny sensory toy, collectible, or spooky gift.

Perfect for:

- Halloween decor
- desk fidget toy
- creepy cute collections
- small gift ideas
