Secret Storage for SKÅDIS Pegboard

Your SKÅDIS pegboard has a little secret... and now, so do you!

Behind its simple appearance lies a hidden compartment to keep your small items out of sight. Lift the lid to retrieve your coins, jewelry, or little treasures, then close it again: your secret is safe!

With its round shape and clean design, this storage solution fits right into your office, workshop, or creative space while freeing up room on your work surface.

A discreet, practical accessory... with a sneaky side.

What will you hide inside? Your secret's safe with me! 😊

size: 100mm
