Pet Harness Seatbelt Buckle Clip

Keep your pet more securely positioned during travel with this durable seatbelt anchor clip. Designed to fit into a vehicle's seatbelt buckle, it provides a convenient attachment point for a pet harness tether, helping to limit excessive movement within the vehicle and promoting a more controlled travel environment.

Important Safety Information

⚠ **This device may disable your vehicle's seatbelt reminder/alarm system when inserted into the seatbelt buckle.**

⚠ **This product is NOT a certified pet safety restraint or crash-protection device.** It is intended only as an anchor point for a pet harness tether and should not be relied upon to protect pets or occupants in the event of a collision, sudden stop, or rollover.

⚠ **Do NOT use this product in a seating position occupied by a person.** Using this clip in place of a properly fastened seatbelt can prevent the seatbelt warning system from activating.

⚠ **Always ensure that all human occupants are wearing their seatbelts correctly before driving.**

⚠ **Use of this product is entirely at your own risk.** The author accepts no responsibility for injury, loss, damage, or misuse resulting from the use of this model.

Travel responsibly. Protect your passengers, secure your pet appropriately, and always follow your vehicle manufacturer's safety recommendations.
