Lazy Grim Reaper - Multi-Color 3D Print

Even the Grim Reaper needs a morning coffee break before harvesting souls. Meet the **Lazy Grim Reaper**, rocking cozy bunny slippers and clutching his favorite mug!

A perfect, humorous desk buddy, decorative figurine, or gift for anyone who isn't a morning person.

Features & Highlights

- **Height:** Approx. 10 cm (3.9 in)
- **Single-Piece Print:** Designed to print as a single complete model—no gluing or assembly required!
- **Multi-Color Ready:** Optimized for Bambu Lab AMS, Anycubic ACE, Prusa MMU, or similar multi-material systems.

Recommended Print Settings

- **Layer Height:** 0.20 mm
- **Infill:** 10–15% (Gyroid or Grid recommended)

- **Supports:** Tree/organic supports are recommended (mainly under the hood, chin, and mug base)
- **Colors:** Black & White (or customize the slippers and mug to your liking!)

Happy printing, and don't forget to refill your coffee! ☕
