1979 Chevrolet Camaro & 1979 Pontiac Firebird — two icons from the same era.
Two closely related American muscle cars, reduced to small, clean objects that keep their distinctive shapes and character.

The Mini Cars DUO series brings together two cars connected by name, heritage or history. Both models are simplified for reliable printing at a very small scale. Print tip: use a 0.2 mm nozzle for better detail.

Works well as a collectible pair or small desk pieces.
Same year. Different attitude. Print them small, collect them all.

⚠ Warning: Small parts. Not suitable for children under 3 years old. This is not a toy.
