A clean and modern bathroom organizer with a smooth **tilt-open mechanism** and a minimalist ribbed design.

Perfect for storing **cotton swabs, cosmetic pads, small accessories, or other bathroom essentials** while keeping everything neatly organized and easy to reach.

The compact **wall-mounted design** saves valuable space and adds a modern, premium look to any bathroom, vanity area, or camper interior.

Features

Smooth tilt-open front mechanism
Clean minimalist design
Compact wall-mounted construction
Quick and easy access
Ideal for cotton swabs & small bathroom accessories
Ribbed texture for a modern premium appearance

Assembly Instructions

Insert both parts into each other until the **upper surfaces are aligned and touching**.

Gently press or lightly tap the **ribbed curved section** until the inner hinged part **snaps securely into place**.

Once assembled correctly, the front section should move smoothly using the **tilt-open mechanism**.
