## AKM scale model in 1/6 size

### Features:

Working charging handle, removable magazine, folding stock

### Items required:

Ballpoint pen spring, Piece of filament as a pin for the stock and mechanism

### Print settings

PLA 200c, Bed temp 60, auto orientation and supports works fine.

### Assembly

(Glue required for stock and barrel connection)

Pretty straightforward, use my photos as reference if any issues i can help. Notice the white filament in the images i have used as pins, thats for visibility. You can melt the pins flat if you wish.
