Each insert features two gauges, allowing you to quickly check the radius of a part without needing separate tools.

The inserts are clearly marked with a code such as **23/8**:

- **First number:** internal radius gauge
- **Second number:** external radius gauge

The complete set provides a convenient and organized way to check a wide range of radii, while the closable case keeps all inserts together.

Features

- 30 interchangeable radius gauge inserts
- Checks both internal and external radii
- Clearly labelled inserts

- Compact, closable case
- Prints **without supports**

Simple, secure, and reusable.
