The **Sturdy Wall Hook - SKÅDIS Edition** is a robust pegboard-mounted hook designed specifically for use with **IKEA SKÅDIS** wall systems. Featuring a reinforced triangular support structure and deep curved cradle, this hook provides excellent strength while maintaining a clean and minimalist appearance.

This model is part of the **Sturdy Wall Hook family** and is the dedicated version intended for SKÅDIS pegboards. Other versions may be available for direct wall mounting or alternative mounting systems, but this variant utilizes integrated SKÅDIS-compatible hooks for quick and secure installation.

Printing Recommendations

- Print **on its side** for maximum strength and optimal layer orientation.
- The SKÅDIS mounting hooks/pegs will require **supports** during printing.

- Recommended material: **PLA, PETG, ABS, or ASA** depending on the application.
- Use **4-5 wall/perimeter layers** for improved durability.
- Recommended **30-40% infill** for general workshop and garage use.
- Increase wall count or infill if heavy items will be stored.

Suitable Uses

- Extension cords
- Garden hoses
- Hand tools
- Air hoses
- Ropes and straps
- Workshop accessories
- General garage and shed organization

The reinforced design distributes load efficiently through the triangular brace, making it significantly stronger than many standard pegboard hooks while remaining easy to print and install. Designed to provide a reliable storage solution for everyday workshop and household organization.
