Summary

This Toniebox bed holder allows flexible placement of the Toniebox (with charging station if required) on a IKEA Kura bed. The design is very stable and allows permanent use of the Toniebox in that location. The holder is slidable.

This mount allows a stable and durable bed side installation of the Toniebox including the charger station.

Print

- **Layer Height:** 0.2 mm
- **Infill:** 10–15% (Gyroid)
- **Perimeters/Walls:** 3
- **Supports:** use tree supports
- **Print Orientation:** as given in file / on the side for maximum stability and minimal support requirements

Installation

Throw the charging station in the designated hole. Now you can mount the holder on the bed and place the Toniebox on top :-)
