Tags: [wall](#) [hook](#) [hat](#) [coat](#) [skadis](#)

A sturdy double coat and hat hook designed specifically for the IKEA Skadis pegboard system. The dual-hook design provides convenient storage for coats, hats, bags, and other everyday items while maintaining a clean and organized workspace.

This model prints well in both **PLA** and **PETG**, although **PETG** is recommended for applications where higher impact resistance and durability are desired.

Recommended Print Settings

- Material: PLA or PETG
- Orientation: Print on its side
- Infill: 20-40%
- Walls/Perimeters: 5
- Supports: On the pegs
- Layer Height: 0.2 mm recommended

Designed to fit directly onto the IKEA Skadis pegboard and provide a strong, practical storage solution for home, workshop, office, or garage organization.
