CYD (Cheap-Yellow-Display) ESP32 Case - No Screw

Custom-designed case for the CYD (Cheap Yellow Display) ESP32-2432S028R, designed to protect and neatly house the board in a simple and clean way.

The case features a snap-fit assembly, with no screws required, allowing for quick and tidy installation.

It also includes a dedicated opening for the photoresistor, which helps shield it from light emitted by the display backlight, ensuring accurate ambient light detection.
