A holder for the Qingping Air Monitor Lite, designed to mount on an IKEA SKÅDIS pegboard. Keep your monitor visible and within reach while freeing up desk space.

Features:

- Integrated mounting hooks for IKEA SKÅDIS.
- Open front for a clear view of the display.
- Top cutout for access to the buttons.
- Cable cutout for the power cord.
- Ventilation holes for airflow.

The holder prints as a single piece. The photos show the printed holder with the monitor installed.

Compatibility: Qingping Air Monitor Lite and IKEA SKÅDIS. Compatibility with other monitor models has not been tested.

This download includes the digital holder model only. The monitor, cable, and pegboard are not included.

After printing, remove any supports used and clean the ventilation holes and cable cutout.

Attach the holder to your IKEA SKÅDIS pegboard using the integrated hooks. Insert the monitor with its display facing the open front and route the power cable through the cable cutout.

Check that the holder is securely mounted, the cable is not pinched, and the monitor’s ventilation openings remain unobstructed.
