A spooky black-and-white cat decoration inspired by Jack Skellington, featuring a stitched smile, curled tail and bat bow tie. Perfect for a Halloween wall display or a shelf with a separate holder.

Printing

- Size: approximately 116 × 150 × 1.5 mm.
- Print flat on the bed.
- Supplied settings: 0.20 mm layers, 3 walls, 15% infill, supports disabled.
- Recommended material: black and white PLA.
- For the pictured colours, use a suitable multicolour setup or print in one colour and paint the details.

The included 3MF contains a Prusa MK3S 0.4 mm printer preset. Check your printer and filament settings before slicing. Remove the thin decoration carefully after it cools. Display props and mounting hardware are not included.
