Design Concept

A practical wall mount designed to keep your chainsaw securely stored and organized. The mount features two parallel chain slots, allowing the chainsaw chain to be guided neatly along the holder. Its compact design helps save space in your workshop, garage, or tool shed.

Optional brand logos are also available for **Stihl**, **Makita**, **Husqvarna**, **ECHO**, **Oleo-Mac** and **Parkside**, allowing you to customize the mount to match your chainsaw brand.

Use

Ideal for wall-mounting a chainsaw when it is not in use. The dual-slot design accommodates the chain along the holder, while the sturdy printed construction provides convenient storage.

Printing Suggestions

Material: PETG or another durable material suitable for your intended use.

Layer height: 0.2 mm.

Infill: 20% Gyroid

Perimeters: 3

Supports: yes

Adjust the print settings to ensure sufficient strength for your chainsaw's weight.

Assembly Instructions

Print the mount and, optionally, the screw covers.

Secure the mount to a suitable, solid wall using appropriate screws and wall plugs.

Check that the mount is firmly attached before placing the chainsaw on it.

Fit the optional screw covers for a cleaner appearance.
