X-ACTO Blade / Knife Tray – 2x2 Gridfinity

Keep your X-ACTO blades organized and easy to identify with this compact 2x2 Gridfinity tray. Ten individual slots separate blades by size, with clearly marked numbers so you can quickly find the one you need.

Supported blade sizes: #2, #7, #10, #11, #16, #17, #18, #19, #22, and #24.

Each section is sized for 5 blades (though I have not tested with 5 of each blade).
