Art made practical for your entryway, to hang your keys, cap, or leash. Dark gothic design of a skeleton key with victorian inspired filigree and an embossed skull. A unique gift for anyone with a spooky aesthetic!

Built-in mounting hole for hanging to secure flush against the wall with a standard screw or nail. If you use my 3MF, it has minimal supports which have been optimized for easy removal, 3 wall loops and 20%gyroid infill for increased strength, and variable layer height for smooth details.
