Summary

Простая мусорка | Simple trash can

[Hobby & Makers](#) > [Organizers](#)

Tags: [can](#) [trash](#)

Простая мусорка из банки для компьютерных салфеток. В качестве оси использован кусочек PLA запаянный с обеих сторон зажигалкой.

A simple trash can made from a jar for computer tissues. A piece of PLA, sealed on both sides with a lighter, was used as the axis. The lid and housing use 4 6×2 magnets.
