Summary

Printable version of an M-LOK t-nut

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [magpul](#) [mlok](#)

Remixed the original model as it was too wide to fit through a standard M-Lok skot. I also tweaked the threads such that a well calibrated printer should print them in a usable form, assuming you have a filament that can handle the stress (tested with pet-gf).

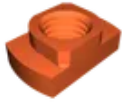

This remix is based on
