updated 10. 10. 2026 | published 10. 10. 2026

Summary

A Fubbles Replacement wand - easy print, works well, same as OEM diameter

[Toys & Games](#) > [Outdoor Toys](#)

Tags: [wand](#) [bubbles](#)

Printed in PETG at 20% infill.

Make sure your first layer settings are dialed in - too much squish and it won't form bubbles.

Very close functionally to the original Fubbles Wand.

This remix is based on

Fubbles Bubbles improved replacement wand

by Bender
