Tags: [box](#) [filter](#) [poop](#) [small](#) [ice](#) [shovel](#) [angle](#) [food](#)
[scoop](#) [dirt](#) [screen](#) [vessel](#) [sand](#) [sturdy](#) [salt](#) [litter](#)
[straight](#) [medium](#) [strong](#) [separate](#) [resistant](#) [hefty](#)
[durable](#) [grain](#) [sift](#)

Two simple easy-printing sifting scoops with no overhangs less than 45 degrees intended to be printed without supports.

- Straight EzSifter is approximately 700mL or just shy of 3 cups (23.67 fl. oz)
- Angled EzSifter is approximately 770mL or 3.25 cups (26 fl. oz)
- 2mm thick walls with a 4mm thick handle for durability. strong enough to be thrown around.
- slots in the sifting versions are 1/8in x 3/8in to accommodate larger grain animal litter

Use it for sifting pet food, grain, ice, salt, dirt, animal litter, etc.
